

# LACROSSE EQUIPMENT DRIVE/DONATION PROJECT

Lacrosse players pride themselves on community involvement and the outreach of youth. Kids Lacrosse The World (KLTW) would like to exude that pride & grow the sport of lacrosse on the greatest international stage. Our organization is seeking out lacrosse sticks, old balls/nets or equipment (in good condition) to use for our trips to Kenya and Malaysia! We understand that some people may be interested, but have not played the sport before. KLTW also accepts donations in the form of cash or check; that will go **DIRECTLY** to project funding and organized growth!

Year after year, sticks and equipment are left in basements or simply thrown away. Our hope is to use this equipment, pass it down to the next generation and make the most with what we have. By sending us your old gear, you will be directly impacting hundreds of kids around the world; who will learn to love the game just as you do. And you too, will become a part of our growing organization.

## HELPING IS EASY AND THIS IS HOW TO DO IT:

**STEP 1:** Explain to your players and/or parents about Kids Lacrosse The World and how they can help.

**STEP 2:** Round up equipment in good condition, consisting of lacrosse sticks, heads, balls, and nets.

**STEP 3:** Package and ship equipment/monetary donations to our office, **1015 Golden Park Pl, Apt 1015B Golden CO 80403**. Once we receive the equipment, Kids Lacrosse The World will immediately send you a donation acknowledgement letter; in which you can use as a tax write off. We can tailor this to individual players, families or a team organization as a whole.

Once you've donated, we will post your story on our website. Then send you an overview, pre- and post-trip, of how your equipment went to use abroad! You will be inundated with news and photos of young, new lacrosse players in Africa and Malaysia.

Lastly, we greatly appreciate your assistance in helping us achieve our goal of spreading lacrosse and mentoring youth on a global level. You are now growing lacrosse on the greatest international stage.

WITH GRATITUDE,

FOUNDER & PRESIDENT
